

Daisy & Ladybird

The original was 4.5cm high (the smallest version below) and worked in Heathway Milano crewel wool on denim-coloured quilting cotton.

The two bigger versions may need a bit more shading.

Stem: stem stitch in two shades of Apple Green

Centre: French knots in one shade of Old Gold – could use two.

Petals: informal long & short in Arctic White and one shade of Silver Grey

Ladybird: padded satin stitch in one shade of Pomegranate with details in Black
